

Bricktown Throwdown

Spectator Photo Policy

A few things you need to know regarding spectator photography for Bricktown Throwdown:

Your lens must be less than 5 inches (12.7 cm) long.

You cannot bring in a tripod or monopod of any sort.

You must turn off the flash.

You cannot use, publish, reproduce or distribute any image or video for any commercial purpose.

Any photos posted publicly from our venue reserves the right for Bricktown Throwdown to use/repost said images for promotional purposes

If you pack a camera with a lens longer than 5 inches or a tripod, you will be told to take it out of the venue.

Press approved by Bricktown Throwdown will be allowed to bring in equipment that exceeds these limits for pre-approved purposes. To obtain a press pass to have access to arena and athlete areas please contact us at info@bricktownthrowdown.com
